### FROM THE EDITOR'S DESK

Dear Readers

It brings me immense joy to present the highlights of the past quarter at Little Scholars School. We witnessed remarkable achievements and milestones that made us immensely proud.

Our students' participation in the prestigious LS MUN showcased their exceptional debating skills and diplomacy. In the realm of sports, our swimming team's excellence shone brightly, securing numerous accolades..

.In recognition of our continuous efforts towards excellence, we were honored with the 'Best School Award in the district. We extend our heartfelt gratitude to the entire school community for making these achievements possible. Together, we strive to nurture and inspire young minds for a brighter future.

One of the most awaited events LSMUN held in Apr'28 promoted inclusive learning opportunities to the students. They learnt to appreciate diversity, engage in constructive dialogue, collaborate with others, develop critical thinking skills, and practice public speaking.

It was a great privilege and honor to have honorable **Chief Minister Shri Pushkar Singh Dhami ji** as our chief guest, along with a **special guest Mr. Amit Sana**, one of the most talented singers of our generation.

# THE INVESTITURE CEREMONY

On May 16th, 2023, Little Scholars held a momentous investiture ceremony to celebrate and acknowledge the newly elected student council members and prefects for the academic year 2023-2024. The event was filled with enthusiasm and pride as the school community came together to commemorate this special occasion.

The student council is being led by **Headboy Vansh Nautiyal** and **Headgirl Auli Arora**. A major highlight of the ceremony was the appointment of the student council members, accompanied by a splendid performance by the band playing "We Shall Overcome." These council members were carefully chosen through a rigorous selection process involving nominations, interviews, and voting

# ADVENTURE CAMP & SUMMER CAMP

20th May 2023-Little Scholars Senior Secondary School organised an Adventure Camp for the Pre Primary students under the supervision of teachers and professional instructors.

It was a day camp that offered a positive and safe environment where children could gain confidence and self-esteem. This camp helped them to develop basic athletic skills such as balancing coordination and to enjoy the adventures. Many activities that enhance the gross motor skills were set up on the field. It encompassed an array of adventure activities like Burma Bridge Activity, Water Zorbing, Zip Line Activity, Swimming pool cross, Pool Rafting, Fun games, Chocolate Race etc The children participated with zeal and were delighted when they completed each task. The students managed to cross the Zip Line confidently.. Every activity aimed at honing a different skill. Students were served delicious snacks .The ice cream party added flavour to the fun. Students had a joyful experience. The camp concluded with unforgettable memories.

## "THE WORLD THROUGH MY VISION"

In this world according to me,  
A realm of wonder, where minds are free.

A place untouched by negativity,  
Where kindness rules with gentle glee.

Through fields of dreams, happiness will grow,  
A magical garden where compassion will flow.  
Where hatred fades, like melting snow,  
And empathy's warmth will forever bestow.

I envision a future where all hearts unite,  
Where compassion and understanding ignite.  
A world devoid of pain and strife,  
Where every soul can live a vibrant life.

Though this dream may seem far away,  
I hold hope for this golden day.  
So let us believe and work hand in hand,  
To shape a world where peace will expand.  
Where negativity slides like grains of sand,  
And beauty of humanity will forever stand.

## *Poem – Butterfly*

*This creature with beautiful wings,*

*after seeing it we feel to sing.*

*We have a lot of things in our nature,*

*But the most beautiful is this creature.*

*I think it is the queen of insects,*

*And its aroma does a lot of effects.*

*Its wings are so colorful,*

*It is so beautiful.*

*Yes-yes you guess it right,*

*It is a butterfly...*

तू कनिष्ठ नारी नहीं, तू माँ दुर्गा की अवतार है।  
उच्चतम पद है तेरा, इस वृहत संसार में,  
खड़ी है तू बनकर चटान हर परिस्थिति  
में, हर तूफान में।

माँ की ममता है तुझमें, दुर्गा की शक्ति समाई  
है,

तू जननी है इस दुनिया की, तूने ही महिषासुर  
की बलि चढ़ाई है।

तू कनिष्ठ नारी नहीं, तू माँ दुर्गा की अवतार है।  
ना देखी जाती है तुझसे किसी की पीड़ा,  
किसी की भूख,

कोमल है हृदय तेरा, माफ़करे तू सबकी भूल।  
हर कर्तव्य तू निभाएँ, तुझमें इस ब्रह्मांड की  
सारी शक्तियाँ समाई है,

तू है बेटी, माँ है तू, वीरांगना है, संस्कार है  
तू, जो शत्रु आए तेरे पथ में, तू साक्षात् चामुंडा  
है।

तू कनिष्ठ नारी नहीं, तू माँ दुर्गा की अवतार है।  
तू हैं देवी शिक्षा की, पर कतिपय स्थलों में शिक्षा  
से हीन है,

अष्ट भुजा वाली है, फिर भी समझी जाती  
बलहीन है।

भूल न जाना तू है शक्ति, जिसके बिना  
परमेश्वर भी अधूरे हैं,

तू है गंगा, अपने जल से पृथ्वी की प्यास  
बुझाती है, तू स्वयं है वो महाकाली जो रक्त  
से अपनी ललक मिटाती है।

तू कनिष्ठ नारी नहीं, तू माँ दुर्गा की अवतार है।  
दिखादे अपनी शक्ति उनको, जिन्होंने तुझे  
अबला बनाया है,

घर के कारागार में बंद कर, ताला तेरे सपनों  
पर लगाया है।

तू संस्कृति है, धर्म का पालन कर,  
अहिंसा परमोधर्मः।

धर्महिंसातदैवचः॥

हुआ सवेरा  
उठो जागो हुआ सवेरा  
ककडकू मुर्गा बोला  
पापा भी हंसकर बोले  
उठो बेटी हुआ सवेरा  
देखो!

चंदा मामा घर को लौटे  
सूरज दादा आकाश में आए  
आलस त्यागो बबस्तर छोड़ो  
उठो बेटी पुस्तक पढ़ लो  
मेहनत करो नाम कमाओ  
दादा जी का मान बढ़ाओ  
अपने घर की शान बढ़ाओ  
पढ़ बलख कर अफसर बन  
जाओ  
उठो चलो तुम स्कूल जाओ।

## ***“The Lost Sapphire”***

After snow comes frost  
After every rain comes the drought.  
After pleasing times  
Shabby darkness pays its visit.  
And you get the happiness  
Or you completely miss it.

The Sapphire is lost  
I can't get it back at any cost.  
No, I don't want the Sapphire  
Completely to me.  
The friendship of Sapphire  
Is all needed by me.

Neither the rain stops  
Nor my tear drops.  
The lost Sapphire was very precious  
It was only for the prosperous.  
Maybe the Sapphire hated me  
And I had to part with it.

## **“Inventions and discoveries”**

Inventions and discoveries are just great  
But what about the discoverers  
They are also great and have some pride  
Some are famous and some are not  
We should try to remember them all zZ  
Their experiences are great  
Their thinking is great  
We can learn a lot from them  
So what is the reason behind the hate  
It was their hard work not their fate  
As they are great  
Their work in their field  
Just inspire us to live  
We should always remember them  
Because they are just someone whom we can't underestimate  
Their work ,their deeds , their aspirations  
Their life their quotes their inspiration  
Their motivation their methods their theories  
Are all just great  
What is the reason for hate  
And how can we forget them  
They are just great

## ***“WHAT THIS SCHOOL MEANS TO ME”***

I never have thought about the phrase , "what does this school mean to now thinking and analyzing it, I see that it has a great significance for me! The journey which had started from A ,B,C to Accounts ,Commerce is to an end ! It has been a great privilege to be in this prestigious and the influence from this, our school !

This school is a second mother for me! A mother who is always diligent, she is always trying to increase our knowledge, to make us obtain good habits and to incline us towards the good acts! My school! It is not a building with it's furniture that make it, but is the union of our teachers with us! The teachers have nourished us like their own children! The school has played a major role in my mental and social development and boosted my confidence level and for all this I would always be indebted to it! This is the school I have grown up with! It has given me the opportunity and platform to develop and polish my talents! It has significant role in shaping my outlook! Good schooling is necessary for everyone's life and thus thrive and hunger for education should always prevail!

All thanks to my loving parents who have initiated my steps to such a school where my training was in the right conduct! I am really fortunate for having the kind look of our energetic and efficient teachers! It is a moment of great pride for me that my school comes in the list of one of the excellent schools in my district! I feel a great sense of pride and enthusiasm when I enter to my school!

It is a fact that a good school shapes the ' Destiny of a Nation '.

## *“My Dream”*

Having learned from the past, I live in the present with an eye on the future. I am Pranjali Joshi and my foremost dream is to reach the zenith in space technology and rocket science. Recently I got selected for the Young Scientist Programme (YUVIKA) 2023 organised by the prestigious Indian Space Research Organisation (ISRO). After competing with around 10-12 lakhs of students I finally made my place in the top 352 students across India. The programme was organised in 7 ISRO centers out of which I was allotted the Indian Institute of Remote Sensing (IIRS), Dehradun. My journey to Dehradun started on May 14, 2023 which also made me a step closer to my dream. I reached there and got my hostel room where I had to spend the next two weeks. The programme started on May 15 with the inaugural ceremony and ended on May 26, 2023 with the valedictory. A typical day at IIRS started with yoga at 6 am and then lectures and practicals from 9 am to 5 pm. Where we studied about space and rocket science. In the practicals we made a water rocket, a model rocket, a rover and also tracked a NASA satellite (NOAA - 15) and received signals from it. After 5 pm we had co-curricular activities which included sports and music. Apart from this we did some exceptional activities like bird watching and stargazing. On weekends we had visits to various institutes like Indian Military Academy (IMA), Forest Research Institute (FRI), Vigyan Dham, and Rajaji Tiger Reserve. We had interactive sessions with the most experienced scientists of ISRO including Dr. S. Somnath (Chairman ISRO), Dr. N. Sudheer Kumar (Director CBPO) and Dr. R. P. Singh (Director IIRS). And finally how can I miss talking about the late night fun with the new friends I made at IIRS. On the last day we had a cultural programme for which we had been practicing for days. The cultural programme and then the valedictory was enough to bring tears to the eyes of all the 47 young scientists, after all we had made a lot of memories together. I still remember how hard it was to just say hello to a new friend on the first day but now we couldn't say goodbye. Along with ISRO's merchandise, I came back with a lot of knowledge, memories and experiences.
