From the Principal's Desk

Dear Parents and Pupils,

It gives me immense pleasure to welcome you all to the new academic session 2018-19. Expectations and aspirations run high as this session commences. Not to forget, the staff is enthusiastic to bring out the best in your child. I personally believe and uphold that our faculty will live up to our expectations. Contemporary education envisages to attain complete development of every child. Rigorous training of the mind coupled with proper conditioning of the body are of paramount importance. Therefore, we always strive to maintain a balance between academic excellence and physical well being.

With that, Best of Luck for the new session!

The Editorial

Dear Readers,

“As Rome wasn't built in a day”,

Similarly, success cannot be attained without industry and perspiration. The citadel of learning, i.e., Little Scholars, provides apt platform to the young scholars to excel in every sphere of life. We, staunchly believe, that every child has many types of inner potentials that need to be harnessed into productive channels. Without mutual co-operation of the parents and pedagogues this dormant potential cannot be utilized to the optimum. Therefore it is expected of every parent to be an active member of the Little Scholars fraternity.

Happy Reading!
