# Our Community Helpers

Special Assembly by Pre-Primary Wing (Class 2A) on October 9, 2023

Topic: Our Community Helpers

Everyone works together as a community to share ideas and create a product. When we work together, the job is easier and better.

We live in a world in which we need to share responsibilities; it's easy to say not my community, not my world, not my problem. But there are those important people who see the need and respond, and these are our real heroes. Inspired by real-life heroes, the students of class II A presented a special assembly on the theme 'Our Community Helpers' at Little Scholars.

Some students were dressed as policemen, doctors, nurse, teacher, farmer, etc. They played the various helpers that we come across in our daily lives. They dressed up like them and spoke about their duties and responsibilities so that the children understood their role in helping the community in a better way. This was followed by an action song.

The assembly concluded with tokens of gratitude being given by children to community helpers who selflessly help one another to work as a team.
